
Caretray Trolley - Mild Steel, Standard Level

Product Images

Description

- Single column easy clean tray trolleys suitable for the storage of disposables & equipment
- One piece welded frame (requires no on-site assembly)
- Quick & complete removal of top & side panels provides access to all areas for cleaning
- One piece moulded top with raised edges on three sides & integral rim at the front to contain any spillages (max load 30kg)
- One piece moulded side panels incorporate runners with positive stops, preventing trays from being

accidentally withdrawn

- 100/150mm deep translucent high impact plastic trays feature an integral handle with plastic clip on label cover (max load per tray 5kg)
- Perforated coloured label strips are available offering colour coding of trays (white, blue, green, yellow & red)
- Divider sets available offering nine compartments per tray (adjustable)
- Finished in Spearmint epoxy polyester paint
- 75mm polypropylene/thermoplastic rubber twin wheel castors
- Manufactured in the UK
